

EDWARD TIMPSON MP

Edward with wife Julia and new Crewe-born baby Nell.

I was elected as your Member of Parliament nine years ago. I said at the time I wouldn't let you down. I hope you continue to feel that I have kept my promise – a promise that I reaffirmed in 2010, and again in 2015.

We've come a long way since then!

Local businesses are thriving. Local unemployment is down, and local youth employment is up. After a lot of hard work, High Speed 2 is becoming a reality, and I'm now throwing my all into making the most of the opportunities it presents for Crewe and Nantwich: not just in terms of rail services and Crewe station, but real transformation for local people, business and amenities.

I want to make our part of South Cheshire an area that oozes aspiration, so that it attracts the brightest and the best to live and work here, helping us to build on our success.

But there will always be challenges. We can never be complacent. For example, I've spent a lot of time in a recent national consultation lobbying the Schools Minister, the Education Secretary, and now even the Prime Minister to make sure that our local schools get their fair share of education funding.

It's at times like this that being able to speak up in the corridors of power can really make a difference for local families.

So, a strong voice in Government and a strong voice in Crewe and Nantwich. That's what I've been providing. And that's what I will continue to provide, if you let me.

Yours ever,

Edward Timpson

WHAT THIS ELECTION IS ABOUT:

Strong and stable leadership in the national interest with Theresa May and the Conservatives – or weak and unstable coalition government led by Jeremy Corbyn.

Every vote cast for Theresa May and the Conservatives will strengthen Britain's hand in the Brexit negotiations.

Only Theresa May has the plan and the proven leadership to deliver the right deal for Britain abroad and a better deal for ordinary, working people here at home.

Theresa May and the Conservatives will stick to the **Plan for a Stronger Britain** and take the right long-term decisions for a more secure future and:

- **Establish Britain as the strongest country in Europe**, in economic growth and national security.
- **Build a stronger economy that rewards people who work hard and creates secure and well-paid jobs.** We will make sure there is growth and prosperity around the whole country.
- **Provide real opportunity for all.** We will give everyone a chance to get on in life, by building enough affordable housing and making sure there is a good school place for every child.
- **Build a more secure and united nation** by taking action against the extremists who try to divide our society and standing up to the separatists who want to break up our country.
